

HANDPRINT THREE LEGGED KITTY CRAFT

(a project for 2 - 8 year olds with adult assistance and supervision)

1. Print a copy of this sheet on regular paper.
2. Using contrasting construction paper cut one large square and one small square.
For 2 - 4 year olds the large square can be 7" by 7" and the smaller square 6" by 6".
For 5 - 8 year olds the larger square can be 8" by 8" and the smaller square 7" by 7".
3. Place child's hand on the smaller of the two squares with the fingertips nearly touching the edge of the paper. Use a crayon or colored pencil to trace around the fingers and the base of the palm, skipping the ring finger.
4. Color body with crayons.
5. Color head with crayons, cut out and paste to body.
6. Draw whiskers on kitty face or cut out whiskers and paste on kitty with glue stick.
7. Glue smaller square of paper to larger square of paper.
